GFN Webinar Highlights: Agro Tourism with Chandrashekhar Bhadsavle

Namaskar,

The Global Farmer Network (GFN) recently hosted a series of webinars featuring experts in various fields. Chandrashekhar Bhadsavle was invited to discuss agro tourism, a theme focused on how farmers can create new opportunities and access new markets by opening up their operations to offer additional value.

Key Points from Chandrashekhar Bhadsavle:

- Agro tourism integrates agriculture with tourism, offering a unique experience to visitors.
- It helps farmers diversify income sources and promotes rural development.
- Bhadsavle emphasized the importance of sustainable practices and authentic farm experiences to attract tourists.
